

## TEMPUS STUDENT EXCHANGE INFORMATION

**Study period: 15 April – 15 May 2013.**

### **Welcome to the Károly Eszterházy College!**

Our institution is one of the leading independent higher educational institutions of the Northern Hungarian region. We are proud of our almost 250 years higher educational history, our four faculties are presently serving a student body of 8000 and welcome international exchange students from all over Europe in every academic year.

The Eszterházy Károly College is dedicated to meet the ever-increasing academic needs of students with an extensive training profile. We are an acclaimed regional higher educational institution offering a wide variety of programs in humanities, natural and social sciences.

The College makes a conscious and continual effort to include training programs enabling it to provide a response to societal demands and improves the possibilities for the societal presence of students and instructors. The institution cooperates with the professional experts of regional research institutes and laboratories in the fulfilment of research objectives and following the principle of mutuality continually develops its professional relations with the higher educational, scientific, cultural and art institutions, pedagogical institutions, and main economic factors of the region.

### >>> SPECIAL SEMINAR WE OFFER TO TEMPUS STUDENTS:

#### **Visuality and Problem Solving in Mathematics Education**

Discription: The students will get acquainted with the theoretical background of mathematical problem solving, learn some strategies in it through several examples. The main topic will be visual logic, recognizing patterns, developing the processing of visual information with the help of Escher, Vasarely and others. We'll visit the Kepes György Art Institution, also some maths and arts lessons in the practical school of the College.

The students can learn how to use GeoGebra and other computer graphical softwares, which can help them in the elaboration of a chosen creative project dealing with the above mentioned themes.

### >>> THE CITY OF EGER

Situated at the intersection of the spectacular Bükk Mountains and the Great Plains and surrounded by picturesque vineyards, Eger, the seat of Heves County and the centre of the Eger Archdiocese is one of the most famous and frequented towns of Hungary. The intricate network of underground cellars ferment and preserve the world famous wines of Eger.

Eger, with its population of 60,000 is a favoured tourist attraction The most important sights and historic monuments in Eger are the Fortress, the Lyceum, the Minaret, the Cathedral and the Turkish bath.

As the region's near one thousand year history of vine-growing testifies, nature has endowed the Eger Wine Region with ideal conditions to produce wine. Bikavér and other wines are known and loved by wine drinking nations throughout the world.

web: [www.eger.hu](http://www.eger.hu)

Public transportation in Eger is operated by the Agria Volán Zrt. Buses run frequently in every 5-10 or 10-20 minutes. Tickets can be purchased at newspaper stands or on the bus.
